SUMMARY

Enthusiastic Junior Developer with 2 years of experience working in front-end development and a strong foundation in HTML, CSS, and JavaScript. Eager to continuously grow technical skills and adapt to emerging web technologies. Experience building responsive, cross-browser-compatible websites using React and Vue.js, while focusing on delivering great user experiences. Excellent collaborator with a passion for problem-solving and a commitment to writing clean, maintainable code. Excited to bring creativity and technical expertise to a new team and take on new challenges in web development.

SKILLS & TECHNOLOGIES:

- Languages: HTML5, CSS3, JavaScript.
- Frameworks & Libraries: React, Bootstrap, Tailwind CSS
- Tools & Technologies: Git, GitHub, npm, Figma, Adobe XD
- Other Skills: Responsive Web Design, Cross-Browser Compatibility, Web Performance Optimization, API Integration

PROFESSIONAL EXPERIENCE

Shree Chankya Education Society (IGI) , Pune

June 2022- Present

Website Developer & Front-End developer

- Developed and maintained responsive websites using HTML5, CSS3, and JavaScript to create visually appealing and user-friendly web applications.
- Collaborated with UI/UX designers to implement wireframes and prototypes into functional, interactive web pages, ensuring alignment with design specifications.
- Used React and Vue.js to build dynamic and responsive user interfaces, improving load times and overall user experience.
- Integrated front-end code with back-end systems via APIs, ensuring smooth data flow and optimized performance.
- Enhanced web performance by implementing techniques like image optimization, lazy loading, and minification, reducing page load times by up to 30%.
- Ensured cross-browser compatibility across multiple browsers (Chrome, Firefox, Safari), improving website accessibility.
- Applied version control using Git and GitHub, participating in code reviews and collaborating with a team of developers to ensure code quality and maintainability.
- Conducted user testing and resolved bugs related to UI functionality and cross-platform compatibility, improving user satisfaction by 20%.

EDUCATION

BBA (Computer Application)

Indira College Of Commerce and Science,
Tathawade
63.04%
