Profile

Software Developer with **1+** years of experience in web and mobile cross-platform development for Android and iOS. Proficient in frontend technologies, frameworks, and version control systems like Git. Strong problem-solving and analytical skills, focused on delivering scalable, maintainable applications. Dedicated to continuous learning and advancing technical expertise.

Professional Experience

Software Developer　　　　　　　　　　　　　　　　　　　　　Dec 2023 – present | Bengaluru, India
Brightpath Technology Private Limited 🔗
- <u>**Android**</u> 🔗 <u>**IOS**</u> 🔗 (Login ID: testUnit@gmail.com, Password: 1234567890)
- Improved operational efficiency by **25%** through the development and implementation of a location tracking system for the admin app, and created a responsive **React.js web application** for real-time visualization of tracked locations.
- Managed the development, deployment, and regular updates of both Android and iOS applications, overseeing the entire **end-to-end process**. This initiative resulted in a 30% increase in customer engagement and a 35% revenue boost.
- Spearheaded the migration of the project to the latest version of Flutter, achieving a 30% enhancement in app performance.
- United with the back-end team to **implement API** endpoints, ensuring seamless functionality in the application. This initiative led to a 30% increase in incremental revenue and was pivotal in achieving the company's objectives.
- Implemented responsive design methodologies and best practices to optimize the user experience across all devices and screen sizes, resulting in a 15% increase in mobile user retention and a more consistent interface across platforms.
- Skills: **React.js, Flutter, Dart, Git version control, Bitbucket, API integration**

Software Developer　　　　　　　　　　　　　　　　　　　　　Sep 2022 – Jan 2023 | Mysuru, India
Connectwings Infotech Private Limited
- Led a comprehensive overhaul of EasyShoppy's UI, resulting in a significant enhancement of the overall user experience.
- Redesigned the interface to enhance intuitiveness and user-friendliness, resulting in a 25% increase in user engagement.
- Reduced user-reported issues by **20%** by streamlining navigation, optimizing layout, improving visual appeal, and reducing loading time, significantly enhancing overall usability and user satisfaction.
- Collaborated closely with cross-functional teams, including designers, product managers, and stakeholders, to gather requirements and iterate on design implementations, ensuring seamless alignment with business objectives and user needs.
- Skills : React.js, Flutter, Git, Github

Software Engineer Intern　　　　　　　　　　　　　　　　　　　Nov 2020 – Dec 2020 | Bengaluru, India
Digiadd Technologies
- Spearheaded the creation of a web-based Bike Rental Management System with a strong emphasis on responsive design and user-friendly interfaces. This led to a remarkable 40% increase in user engagement and a significant 50% boost in revenue.
- Skills: HTML, CSS, JavaScript

Projects

Food Ordering App
- Engineered a highly scalable and performant food ordering app from scratch, leveraging React.js, Redux for state management, and TailwindCSS for rapid development.
- Achieved 90% code coverage through rigorous testing using React Testing Library and Jest, ensuring a fast-loading, reliable, and efficient user experience.
- *Technologies*: React.js, Redux, React Testing Library, Jest, TailwindCSS, Parcel

Discovering Borderline-Rare Items Using Association Mining
E-commerce website
- Orchestrated the implementation of MS Apriori algorithm through HTML, CSS, and JavaScript, leading to a substantial 40% enhancement in user engagement by offering tailored product suggestions.
- Partnered effectively with team members to guarantee smooth frontend development and attainment of project goals.
- Skills : HTML, CSS, JavaScript

Skills

• React.js	• Flutter	• Python	• HTML
• CSS	• Javascript	• Git version control	• GitHub
• Redux	• Dart	• Tailwind CSS	

Education

Bachelor Of Engineering　　　　　　　　　　　　　　　　　　　　　　　　　　Aug 2018 – Jul 2022
Bahubali College Of Engineering
Computer Science and Engineering

Awards
