ABOUT ME

With 8 years of total experience, I have a good understanding of design creation, Angular 6, HTML, CSS, Bootstrap, media queries, JQuery, and Visual Studio code editor. Capacity to identify and handle challenging difficulties is seen as a sign of a good troubleshooter. exposure to all Waterfall Methodologies and SDLC phases.

As a SME, it is my responsibility to ensure that the information is accurate so that the project or program's deliverables meet stakeholder needs, legal requirements, industry best practices, and standards.
