Rahul Thangavelu

React Js developer

Profile Summary

Experienced React.js developer with 2.8 years in HTML, CSS, JavaScript, and Redux. Adept at feature implementation and bug resolution. Seeking opportunities as a React.js and JavaScript developer to contribute to innovative projects with high-quality code

Work Experience

React Js Developer

Dec 2021-Aug 2024 Virtusa

As a React.js Developer for AstraZeneca client, I actively contributed to the enhancement of the IRep App within the US Dashboard and Myinsight teams. My role involved introducing new features, resolving bugs.

Key Contributions:

Feature Development: Implemented new features for the US Dashboard and Myinsight modules, resulting in a 20% increase in user engagement and a 15% improvement in overall user satisfaction.

Bug Resolution:Successfully resolved bugs within the application, contributing to a 30% reduction in user-reported issues and enhancing the overall reliability of the IRep App.

Education

Bachelor of Engineering
P.A.college of engineering and techonology

June 2016-April2020
